STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

GENERAL INFORMATION

LOCATION - The show and sale will be held in the arena of the judging pavilion at the Saline County Fair Grounds at Salina, Kansas on Wednesday, April 7. The headquarters for the sale will be at the Holiday Inn.

TERMS - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading in compliance with instructions from purchaser.

GUARANTEE - All cattle will be sold under the guarantee of the American Shorthorn Breeder's Association.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors. We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

MANAGER'S MESSAGE

Dear Friends,

I hope you will be present on April 7 at the fairgrounds in Salina, Kansas to participate in the 52nd Annual Shorthorn and Polled Shorthorn Show and Sale.

If your breeding program demands high quality Shorthorn or Polled Shorthorns, you will find time to take advantage of this opportunity. The bulls offered in this years sale will fit into your breeding program whether it be at the pure bred or the commercial levels. Also, there will not be a breeder who will not be able to use some of the outstanding females which will be offered. Fayne Lawson was so kind as to let me go through his entire herd and pick 12 of his top females which are offered in this sale.

We will look forward to seeing everyone Tuesday evening, April 6 at the Holiday Inn for the informal banquet. Please plan to attend.

I would also like to take this opportunity to let each breeder of the Kansas Shorthorn Association know that my wife and I are looking forward to working with each one of you peronally. Please contact us if you find the need.
